Special online sessions for entitled registered ticket holders:

After the "BG2C FIN/SUM BB" on August 24th and 25th, we will organize online sessions only for entitled ticket holders. Please note that this service is not available to registered users of free online viewing. Eligible persons will be notified of the service separately by e-mail.

We will offer the following post-event sessions;

① Supplementary sessions

These will be webinars where onsite program speakers will review their sessions and offer in-depth explanations.

Date and time: Scheduled from the end of August to the beginning of September, 40 minutes per session

② Sum Talk sessions

This is a meeting-type session where, among the session themes covered in the event, the keywords that are of great interest to the viewers are exchanged with experts who are familiar with the subject. Candidates for the keywords are 1. STO, 2. KYC/DID, 3. Enterprise blockchain, 4. crypto assets.

Date and time: Scheduled for mid-September, 60 minutes per session

③ Matching webinars

There will be online presentation by startup sponsors of this event, Ginco, Earlyworks, TRUSTDOCK, Keychain and Nayuta. If you are interested in their presentations, we will offer matchmaking opportunities for each firm at a later date.

Date and time: Scheduled to run from evening to evening from August 25th to 27, 30 minutes per session.
